

Re: Hazardous Materials Business Plan Notification

Dear _____ :

Per California Health and Safety Code 6.95 § 25505.1, a business required to establish and implement a Hazardous Materials Business Plan (HMBP) that is located on leased or rented property must notify the owner of the property that the business is subject to and in compliance with HMBP requirements.

Please note that a HMBP has been prepared and implemented for the following facility:

If you would like a copy of the HMBP, one will be provided to you within five working days after receipt of your request. A copy of this notification letter will be kept at our facility.

If you have questions, please contact the undersigned.

Sincerely,
