

PATTERSON PASS ROAD SAFETY IMPROVEMENT @ MM 6.4

PATTERSON PASS ROAD CLOSURE & MEETING NOTICE

The Alameda County Public Works Agency has awarded the Project to RGW Construction. Construction is expected to begin in July 2015 and will require a 60-day closure to pedestrian, bicyclist, and vehicular traffic at mile marker 6.4.

Local residents, property and business owners, and other interested parties are invited to attend a Community Pre-Construction Meeting regarding this project and the required 60-day closure as follows:
